Demo: Steve Parker "Oil
Painting on Canvas

The Prez Sez

Prez Sez,

I was very sad that I could not attend the KAS Show on Saturday. I had to be in Dallas for my Son-in-laws 50th birthday celebration. However, I just left the KAS Board Meeting and I was brought up to date on the show.....I am so glad that everything went smoothly. I want to extend thanks to Debra, Linny and Shirley for turning out their usual well organized, excellent show. Also, so many thanks to our wonderful members who pitched in with their help in hanging and just doing whatever was asked of them.

Speaking of hard work, Carol Showalter and her committee are working diligently on the Fine Arts Gala that is to be held at Homewood Suites on November 19th, 20th and 21st. If you are planning to participate, please get your order for panels into Carol by Saturday, November 14th. If this is a problem, Carol said she would take your order Monday night at the General Meeting. If you are not able to take part, I hope you get a chance to attend as this promises to be a first class event.

Maddie Taunton will be our demonstrator Monday night. Maddie is a self taught jewelry designer and has been designing for about 3 years. She enjoys working with seed beads and other small beads. She uses various techniques such as right angle weave, peyote stitch, and Ndebele stitch. She will talk about the many types of seed beads and demonstrate the above stitches.

Maddie's jewelry can be found at Casavanova in Seabrook, at CMR Jewelers in LaPorte and at The Laurel Tree in Montgomery. She also does craft shows, home parties and designs jewelry for weddings and other special events.

Maddie is also an interior designer, a floral designer, has designed clothes and is an acrylic and pastel artist. However, at this time, the demand for her jewelry has become her full time job.

See you soon and keep on creating!

Your Prez,
Sally
