The Prez Sez

Where does the time go?! The hustle and bustle of the holiday season is already upon us. Our big snow must have brought out a lot of shoppers. I was shopping for my Grandkids today and had to wait behind a line of cars just to get into the parking lot! Hope it keeps up!

Everyone enjoyed Maddie Taunton's jewelry demo at the meeting last month. Maddie demonstrated the making of a beaded ring. She also discussed the types of beads used, as well as the patterns, weaves and threads. Maddie's jewelry was on display and some of our members got some of their Christmas shopping done.

I could not write this without thanking Carol Showalter and her committee for doing a fantastic job on the Art Gala held at Homewood Suites last month. I heard praises not only from Homewood Suites but also from the many visitors. It was an exhilarating feeling to listen to the excited conversation around me and to watch everyone relaxing and having a good time.

Congratulations are in order for Shelia Bridges, Debra Latham, Carol Showalter, Vicki Voetz, Vanita Doyle, and Pat Conroy for selling their work. Way to go!

Don't forget that the general meeting will be December 14th, a week earlier than usual. We will be awarding the Paul McCarty Scholarship to Christina Taylor, the Lone Star College, Kingwood Campus recipient.

We will also enjoy our Christmas Potluck Dinner, so please plan to bring a food or treat. These dinners are always a lot of fun and, we always seem to have a good variety of food. Also, please think about bringing some of your work for everyone to see. This is a good way of sharing what you have learned. It can also be inspirational.

Happy Holidays....

Your Prez,
Sally Kullman
