The Prez Sez

I always seem to start with a comment about weather so I don't want to disappoint you this time! I am thinking that it is about time to clean up the old foliage so that the new growth can emerge! New flowers, grass, trees, etc. means new paintings, right? Robert Williams said "spring is nature's way of saying "Lets Party". I say "its nature's way of saying, let's create".

Speaking of creating, our Show and Competition is March 27th!!! Deadline is March 21st... Debra and Linny are once again working hard to make a beautiful show. Many of you are familiar with our judge, Anne Vandergriff. She was one of the founders of KAS and will do a great job.

Don't forget that you can rent a 10 x 10 booth space for \$25.00 to sell your artwork. That's a bargain. You can go to our website and download all forms, that is, if you haven't already done so. Also, Debra will have some forms at the meeting if you do not have access to a computer.

Everyone who attended the workshop with Cheryl Evans agreed that it was a great day! Cheryl demonstrated how to paint a portrait with loose, flowing colors. Then we proceeded to do the same and what fun!! Cheryl proved again that she is not only a superb artist but also an amazing teacher.

Carrie Lee Allbriton was scheduled to demonstrate her abstract, acrylic painting but will be unable to due to health problems. I am excited to say that our very own Judy Richards has agreed to show us how she paints with watercolor. Judy not only belongs to KAS, but also to the Art League of Baytown and the Watercolor Art Society of Houston. She has shown her work not only in the above Galleries but also at St. Luke's Gallery in Houston. Judy likes to use her own photographs as reference material and uses animals and people as subjects as well as still life and flowers. If you have ever seen Judy paint, you know how captivated she will hold your attention.

I can't close without commenting on the intriguing demonstration that Liz Hill presented to us at the last meeting. She delighted all of us as she transformed a figure which she had sketched in a previous modeling session. She experimented with vivid color and printed papers, and like magic, an enchanting woman appeared before our eyes. We thank you Liz for making our evening so enjoyable.

Please don't forget to bring your LSAG Yearbook cover entries to the meeting on Monday night. If you haven't started, you still have time. Go to the LSAG Website and download the rules. We have a lot of talented artist in our art society so I am sure one of you can win the prize money!!

See you Monday.

Your Prez,
Sally
