You are invited to join 10 nationally acclaimed Pap-se artists as they demonstrate how to capture a moment outdoors and interpret that information indoors.

Whether you are an artist or art lover, these demonstrations will be a relaxing, fun-filled way to observe these talented artists' techniques for creating solid paintings from start to finish. During the two days, participants will have the opportunity to ask each artist questions and gain insight into their creative process. Those attending will receive a **free booklet** complete with information discussed in the demonstrations, including the artists' individual color palettes, preferred supplies, choosing the proper plein air equipment, and maximizing your time outdoors.

9am-4pm daily Cost \$235 includes lunch each day and an instructional booklet

Wednesday, April 23, 9am: Five instructors will paint on location. You may paint with us or just observe.

12 noon: Picnic lunch and discussion

1:00pm: Meet indoors to watch 5 artists paint a larger work from a plein air study.

Thursday, April 24, 9am: Five different instructors will paint on location. You may paint or just observe.

12 noon: Picnic lunch and discussion

1:00pm: Meet indoors to watch 5 artists paint a larger work from a plein air study.

Thursday at 3pm we will raffle the 10 larger demo paintings for purchase at a special "patron appreciation" price! Don't miss it!
